

## SAFETY POLICY (Occupational Safety & Health)

Usahawan Borneo Greenwood Sdn. Bhd. is the Integrated Timber Company which consists of a Sawmill and Wood Peeling Mill. Usahawan Borneo Greenwood is managing its Forest Integrated Mosaic Tree Plantation and Forest Resources in a sound environmental and sustainable manner.

Usahawan Borneo Greenwood is committed to excelling in all its business activities in ways that protects the safety and health of all the people who may get affected by its operations. It shall comply with the OSH Act 1994 and all other legislation that applies to its operations. Usahawan Borneo Greenwood will assess the risks to health and safety of all its operations and take approximate measures to ensure a safe workplace for all staff and contractors and ensure that surrounding communities and the public in general are protected. We shall strive to prevent all incidents and hazards to health at all workplace by ensuring safe working practices are followed.

Usahawan Borneo Greenwood shall continuously improve its OSH standard in all aspects of business activities by promoting Safety and Health Awareness, providing training to employees to improve their performance and create a culture of safety and health living in the organization. This Occupational Safety and Health Policy shall be reviewed annually to ensure continual improvement of the OSH Management System.

“Safety and Health Awareness is our Culture”

Yours faithfully,

**Datuk Elbert Lim Yu Ming, JP**  
Managing Director
